

## AMONG THE AUTOMOBILISTS

PREPARING FOR OPENING OF  
HOUR RACE.

Motor Racing Association Meeting New York and Seaside, N. J.—Brighton Beach Track Being Reconstructed—Extra Rules for Interclub Event.

Preparations are being made for the opening of the twenty-four hour race at the Brighton Beach Motor Race track on May 13 and 14. Plans of work have been busy on the mile course for the last two weeks laying a new top of clay and cement, and this is being rolled in and hardened. It is expected that the track will be several feet faster to the mile than it has ever been in the past.

In addition to the field stand now under construction there is to be built a temporary stand for chauffeurs located near the starting space, so that owners of cars will be able to find their drivers readily when they want them. Special attention is being paid to the score boards, so that reports of all the stands and the club-house may be kept constantly informed of the progress of the race.

The interest shown by spectators at motor races in knowing which driver of a particular team was on the track has caused the Motor Racing Association officials to decide it would be a good plan to keep a board in the clubhouse to show the names of the drivers who are shown at horse races, excepting that the names will be left up continuously while drivers are on the track.

An important change in the warning system has been decided upon. Hitherto the red light has been used as a warning of the inside fence for the benefit of contestants. Frequently, however, the red light has been used as a warning of the outside fence for the benefit of the spectators. In order to avoid any possible confusion the Brighton Beach committee of the M. R. A. has decided to mark the fence line with green lights.

The entertainment committee of the Automobile Club of America has announced that the next regular club night, Tuesday, May 3, there will be a smaller concert given in the club-house. The programme will consist of old music.

The joint committee representing the two organizations has issued the supplemental rules for the interclub touring contest between the Crescent Automobile Club and the Long Island Automobile Club on May 21 and 22. Odd numbers are to be used to designate the cars of the Crescent members and the even numbers of the Long Island members. The cars must be driven by active members of the respective clubs and the cars must be owned by the entrant or a member of his immediate family. No professional chauffeurs shall take any part in the event. In the event of an unequal number of cars representing the club, the total number of cars shall be made equal by the addition of spare cars. The cars will result in double penalization for violation of rules or for traffic regulation may result in disqualification. Cars competing must be equipped with an emergency oil can. The cars must be driven by the entrant or a member of his immediate family. The cars must be driven by the entrant or a member of his immediate family. The cars must be driven by the entrant or a member of his immediate family.

The passenger quota to be carried shall be as follows:  
Five passenger touring or baby tonneau cars must carry at least four persons.  
Seven passenger touring cars must carry at least five persons.  
Cars with enclosed bodies will be classed as touring cars.

Passengers shall be either active members of the respective clubs or eligible to active membership in such clubs. Each set of motor except for tire repairs or during controls will be penalized. In addition, the penalization shall be as follows: All repairs, replacements or adjustments to car equipment, except for tire repairs, shall be penalized five points per minute or fraction thereof spent on such repairs, replacements or adjustments. The time taken from the stopping of the car to restarting.

Delays in reaching controls, after allowing for tire delays, two points for each minute or fraction thereof. Failure to reach controls or finish within two hours shall result in disqualification. The schedule of controls will be as follows: 1. Controls at 10:00 a.m. 2. Controls at 12:00 noon. 3. Controls at 2:00 p.m. 4. Controls at 4:00 p.m. 5. Controls at 6:00 p.m. 6. Controls at 8:00 p.m. 7. Controls at 10:00 p.m. 8. Controls at 12:00 midnight. 9. Controls at 2:00 a.m. 10. Controls at 4:00 a.m. 11. Controls at 6:00 a.m. 12. Controls at 8:00 a.m. 13. Controls at 10:00 a.m. 14. Controls at 12:00 noon. 15. Controls at 2:00 p.m. 16. Controls at 4:00 p.m. 17. Controls at 6:00 p.m. 18. Controls at 8:00 p.m. 19. Controls at 10:00 p.m. 20. Controls at 12:00 midnight. 21. Controls at 2:00 a.m. 22. Controls at 4:00 a.m. 23. Controls at 6:00 a.m. 24. Controls at 8:00 a.m. 25. Controls at 10:00 a.m. 26. Controls at 12:00 noon. 27. Controls at 2:00 p.m. 28. Controls at 4:00 p.m. 29. Controls at 6:00 p.m. 30. Controls at 8:00 p.m. 31. Controls at 10:00 p.m. 32. Controls at 12:00 midnight. 33. Controls at 2:00 a.m. 34.
